**SEVENTEENTH STATUS REPORT  
OF R. WAYNE KLEIN, RECEIVER**

*For the Quarter Ending  
September 30, 2016*

2:12-cv-00591 BSJ

The Honorable Bruce S. Jenkins

R. Wayne Klein, the Court-Appointed Receiver (the “Receiver”) of National Note of Utah, LC (“National Note”), as well as certain subsidiaries and entities affiliated with National Note (“Related Entities”), and the assets of Wayne LaMar Palmer (“Palmer”), collectively, the “Receivership Entities” hereby submits this Seventeenth Status Report, for the period July 1, 2016 through September 30, 2016 (the “Reporting Period”).

**I.**

**PROCEDURAL HISTORY**

This action (the “Civil Case”) was commenced by the United States Securities and

Exchange Commission (the “SEC”) on June 25, 2012, against Defendants Palmer and National Note by the filing of a Complaint in the United States District Court for the District of Utah (the “Court”).<sup>1</sup> The Court held a trial on November 2, 2015. On November 30, 2015 the Court entered judgment against Palmer and National Note.<sup>2</sup>

On August 19, 2015, a grand jury criminal indictment was issued for Palmer and his cousin, Julieann Palmer Martin. They are charged with wire fraud, mail fraud, and money laundering. The criminal trial is scheduled to begin May 1, 2017.

## II.

### **REAL ESTATE TRANSACTIONS**

Attached hereto as Exhibit A is a chart setting forth the status of all real properties in the Receivership Estate as of September 30, 2016. During the Reporting Period, the Receiver made progress in his efforts to sell properties in the Receivership Estate as discussed in further detail below. A summary of the status of all unsold properties listed in Exhibit A not described below is included in the Receiver’s *Sixteenth Status Report*.<sup>3</sup>

**A. Real Property Sales Closed During the Reporting Period.** Two property sales were closed during the Reporting Period as follows:

1. Fairfield Land. On June 28, 2016, the Court entered an Order approving the public sale of land in Fairfield, Utah.<sup>4</sup> An auction was held on August 2, 2016. The bidding rose

from \$213,925.00 to \$275,000.00. The sale closed on August 12, 2016. In total, the Receivership Estate received \$242,656.49 in net sales proceeds.<sup>5</sup>

2. Elkhorn Land. On July 27, 2016, the Court entered an Order approving the public sale of 217 acres of land near Elkhorn Ridge in Oneida County, Idaho.<sup>6</sup> No higher and better offers were submitted for the property and, thus, the auction was canceled and the property was sold to the stalking horse bidder. The sale closed on September 9, 2016. In total, the Receivership Estate received \$226,369.05 in net sales proceeds.<sup>7</sup>

**B. Property Offers Subject to Court Approval.** The disposition of two additional properties were proposed to the Court during the Reporting Period:

1. Expressway Business Park. On May 6, 2016, the Receiver filed a *Motion Requesting Authorization Regarding Method of Disposition of Expressway Business Park Land and Memorandum in Support*,<sup>8</sup> seeking Court approval related to industrial land located in Spanish Fork, Utah. A hearing on the Motion was held on June 8, 2016, and the Court instructed the Receiver to obtain additional information about the property. On August 16, 2016, the Receiver filed a *Supplement*<sup>9</sup> to the Motion, and the matter is currently pending before the Court.

2. Toquerville Lots. On August 15, 2016, the Receiver filed a *Motion Requesting Order Approving (1) Public Sale of Property Free and Clear of Interests, (2) Method*

*and Form of Publication Notice, and (3) Public Auction Procedures and Memorandum in Support (Almond Heights Lots 21 & 22),*<sup>10</sup> seeking Court approval for the sale of two Almond Heights subdivision building lots located in Toquerville, Utah. The proposed sale recommended the sale of the property at public auction based on a bid by a stalking horse bidder at a significant discount from the appraised value of the lots because the Receiver had determined that the lots were not buildable. A hearing on this Motion was held on August 22, 2016, and the Court denied the Motion without prejudice, instructing the Receiver to obtain independent expert verification that the lots are not buildable. The Receiver has engaged a civil engineer from Washington County, Utah to evaluate this issue, and is awaiting a report.

C. **Tax Valuation Reduction.** The Utah County Treasurer assigned a value of \$2,109,000.00 to the Expressway Business Park for purposes of 2016 tax assessment. Based on the Receiver’s request, the County Treasurer agreed to lower that valuation by \$794,000.00, to \$1,315,000.00.

### III.

#### **REAL ESTATE INTERESTS**

A. **Assignments of Beneficial Interest (“ABIs”).** The Receiver filed a number of lawsuits seeking a judgment that ABIs afforded to certain investors by National Note prior to his appointment were invalid, which lawsuits were consolidated into one action (the “ABI Action”).<sup>11</sup> Many of the ABIs held by defendants in ABI Action have been released pursuant to agreement or

---

<sup>10</sup> Docket No. 1187.

<sup>11</sup> *Klein v. Adams*, Civil No. 2:14-CV00614 (D. Utah) (Jenkins, J.).

have been invalidated by the entry of default judgments. At the commencement of the Reporting Period, six ABIs remained in question. At this time, only five ABIs remain because the Court entered a default judgment during the Reporting Period declaring the ABI held by defendant Terry Stallman to be invalid.<sup>12</sup> The face amount of the remaining ABIs is \$1,250,000.00, and those ABIs currently show as interests against Expressway Business Park and Farrell Business Park, or the net sale proceeds of those properties. Motions for summary judgment as to the validity of the remaining five ABIs have been fully briefed and argued. The Court currently has those Motions under advisement.

**B. Deeds of Trust.** Of the thirteen properties on which deeds of trust had been recorded at the time of the Receiver's appointment, all deeds of trust have been satisfied or released except as to the two properties noted below.

1. Overland Trails, Eagle Mountain, Utah: There are six deeds of trust remaining and recorded against this property, claiming to secure a total of \$252,136.91 in debt. The Receiver does not believe that all of these deeds of trust are valid, but he is attempting to sell the property before incurring expense to dispute the interests. The Receiver is actively marketing this property, but at this time it is unclear whether there will be equity for the Receivership Estate.

2. Expressway Business Park, Spanish Fork, Utah: There are three deeds of trust remaining and recorded against this property, which are held by Westar Equities, Jeff Sessions, and Evolution Holdings. Westar Equities maintains that it is owed the principal amount of \$9,634.30 plus accrued interest. The deed interests of Sessions and Evolution Holdings are in

<sup>12</sup> ABI Action, Docket No. 524.

unspecified amounts, but the Receiver believes that the purported debts relate to tenant improvements that were promised by National Note but never completed. Because the Receiver believes that National Note holds a superior lien that was effective before the dates of the deeds of trust given to Sessions and Evolution Holdings, the Receiver intends to contest the Sessions and Evolution Holdings deeds of trust.

#### IV.

#### **ASSET RECOVERY AND DISPOSITION**

**A. Star Point Development.** One of the assets belonging to the Receivership Estate is a 32% interest in Star Pointe Development, LLC. The Receiver recently learned that the South Jordan Redevelopment Agency has been providing property tax rebates, called “tax increments,” relating to real estate that had been owned by Star Pointe Development, LLC. The Receiver is investigating whether some of the tax increment payments should be paid to the Receivership Estate. The Receiver may need to file suit to obtain these funds.

**B. Mineral Ore.** The Receivership Estate included interests in Utah limited liability companies Homeland Minerals, LLC and Freedom Minerals, LLC, which held interests in certain mineral ore. Prior to the Receiver’s appointment, National Note had represented to investors that the ore was worth as much as \$2 billion. Certain National Note investors strongly believed that commercially valuable minerals could be extracted from the ore. Thus, in 2012, the Receiver entered into a *Management Agreement* with HMI Management LLC (“HMI”) to allow HMI to explore commercial extraction of minerals from the ore. Under the Agreement, HMI advanced all costs involved in this project, including storage costs for the ore and research costs involved in extracting metals from the ore. If minerals were extracted, the Receivership Estate would receive

a share of net profits. In July 2015, at the suggestion of the Court, the Receiver received an appraisal of metals in the ore. Although the appraisal gave a gross value of approximately \$58,000.00, the appraisal stated that the costs of extracting and purifying the metals would consume that value. In the meantime, HMI provided documentation to the Receiver evidencing that HMI had expended in excess of \$200,000.00 in its attempts to realize value from the ore. Given these facts, by letter dated July 13, 2016, the Receiver gave written notice to HMI pursuant to the Management Agreement that he was terminating the Agreement, relinquishing title to the ore to HMI, and abandoning any interest in any profits that HMI may recover – which he believes, based on the appraisal and the development work performed by HMI, will be none. HMI will not be entitled to any claim for its costs and the Receivership Estate will not need to deal with disposing of what the Receiver believes is property that has no value for the Receivership Estate. This termination has been accepted by HMI. The Receiver has posted notice of this termination on his website and is herein giving notice to the Court of this matter.

**C. Equipment Sales.** The Receiver sold several pieces of shelving and a file cabinet that belonged to National Note, netting \$131.00.

V.

**LITIGATION**

In addition to the ABI Action discussed in Part III.A above, the Receiver filed approximately 140 lawsuits to recover transfers made by National Note and its affiliated entities (the “Avoidance Actions”). As reported in an earlier Status Report, most of these Avoidance Actions have been resolved. As of the last Report, only four actions remained and the Receiver was in the process of requesting dismissal of the action against Victor Wagner and his affiliated

companies as a result of a bankruptcy discharge.<sup>13</sup> At the close of this Reporting Period, only one of the four matters remains unresolved, and one matter that was reported as resolved in the Sixteenth Status Report,<sup>14</sup> is now the subject of an appeal. The action against Victor Wagner now has been dismissed.<sup>15</sup> The remaining matters are discussed below.

**A. Avoidance Lawsuits Resolved During Reporting Period.** During the Reporting Period, one matter remains pending as a result of a bankruptcy filing and the other three pending matters were resolved. A summary is as follows:

1. Christy Palmer.<sup>16</sup> Mrs. Palmer filed a petition seeking relief under Chapter 13 of the Bankruptcy Code in the District of Utah on November 4, 2015, and this case converted to Chapter 7 on December 10, 2015. This is Mrs. Palmer's second bankruptcy case – her first was dismissed when she failed to appear at her meeting of creditors. As a result of bankruptcy filing, the Receiver's avoidance action against Mrs. Palmer has been stayed. The Chapter 7 Trustee notified creditors of her intent to administer the Chapter 7 case and requested that creditors file proofs of claim in the bankruptcy case. On August 31, 2016, the Receiver timely filed a Proof of Claim, asserting the same unliquidated claim asserted in the avoidance action pending in this Court.

2. Fred Myer.<sup>17</sup> On August 1, 2016, the Court entered an Order approving a settlement agreement between the Receiver and Mr. Myer under which Mr. Myer agreed to pay \$2,000.00 to the Receivership Estate. This payment has been made, and the lawsuit against Mr. Myer has been dismissed.

3. Joel Blakeslee and the Blakeslee Living Trust.<sup>18</sup> An Order granting summary judgment in favor of the Receiver and against defendant Blakeslee Living Trust was entered in a prior reporting period. On August 24, 2016, the Court entered an Order granting summary judgment in favor of the Receiver and against defendant Joel Blakeslee.<sup>19</sup> On September 30, 2016, Judgment was entered for the Receivership Estate in the total amount of \$32,589.95, which includes the \$24,689.36 in false profits and \$7,900.59 in prejudgment interest.<sup>20</sup> The Receiver is evaluating the best means of collecting this Judgment.

4. Kleen Water Power, LLC.<sup>21</sup> On September 1, 2016, the Receiver filed a *Notice of Voluntary Dismissal*<sup>22</sup> of this action because he learned from the holder of an allowed Proof of Claim that monies that National Note had paid to defendant Kleen Water Power, LLC actually should have been credited to the claim holder. The holder of the allowed Proof of Claim agreed to withdraw his Proof of Claim because, as a result of this credit, it was determined that he

**B. Appeal: Michelle Turpin & Associates, P.C., and Michelle Turpin, P.C.** On May 31, 2016, the Court entered an Order granting summary judgment and entered Judgment in the amount of \$78,135.37 in favor of the Receiver and against the defendant law firms.<sup>23</sup> The law firms have filed a *Notice of Appeal*, appealing the Order and Judgment to the United States Court of Appeals for the Tenth Circuit.

### **CLAIMS PROCESS**

The claims process began on September 1, 2015, when the Court entered an *Order Granting Receiver's Amended Motion Seeking Approval of Proposed Claim Procedures and Accompanying Forms and Setting Bar Date*.<sup>24</sup> The *Receiver's Initial Claims Report* was filed March 4, 2016.<sup>25</sup> The following summarizes recent developments in, and the status of, the claims process:

**A. Resolution of Claim Objections**. As of the beginning of the Reporting Period, the allowance of only ten disputed Proofs of Claim remained unresolved. Four of the disputed Proofs of Claim were filed by ABI holders, and until a decision is made as to the validity of their ABIs, those Proofs of Claim will remain disputed. Disputes as to the remaining six Proofs of Claim have been fully resolved.<sup>26</sup>

<sup>25</sup> Docket No. 1088.

<sup>26</sup> See Docket Nos. 1182, 1183, 1185.

**B. Kiang Intervention.** On August 24, 2016, Danny and Barbara Kiang filed a *Motion to Intervene*, seeking permission to submit a late Proof of Claim alleging they did not receive notice of the claims process.<sup>27</sup> The Court granted this Motion, and the Kiangs filed a *Motion to Approve Late-Filed Claim Forms and Memorandum in Support*, seeking to have their late claim allowed.<sup>28</sup> The issues raised in this Motion have been resolved, subject to Court approval, by settlement, and the settlement is outlined in the *Status Report* discussed immediately below.<sup>29</sup>

**C. Proposed Distribution Plan and Interim Distribution.** On August 24, 2016, the Receiver filed his *Motion for Approval of (1) Proposed Distribution Methodology and Plan of Distribution, and (2) Proposed Initial Distribution, and Memorandum in Support* (the “Distribution Motion”),<sup>30</sup> primarily seeking approval of a proposed distribution plan and an initial distribution in the total amount of \$4,500,000.00 to holders of Allowed Proofs of Claim. The Distribution Motion was served on all parties that could potentially be affected by the proposed distribution plan.<sup>31</sup> Out of the total 439 Proofs of Claim affected, only three responses to the Distribution Motion were filed.<sup>32</sup> These responses are outlined in a *Status Report* on the

Distribution Motion that was filed by the Receiver on September 30, 2016.<sup>33</sup> As set forth in the Status Report, concerns raised in two of the responses have been resolved, and only one response remains unresolved. The Receiver has increased the interim distribution proposed in the Distribution Motion to \$4,526,507.28 to account for the additional Allowed Claim amounts set forth in the Status Report that resolve, among other things, the issues raised by two of the respondents to the Distribution Motion.<sup>34</sup> The sole unresolved response to the Distribution Motion raises an objection to the hybrid distribution methodology proposed by the Receiver. A hearing on that response is currently scheduled for November 2, 2016 at 10:00 a.m.<sup>35</sup>

### **FINANCIAL ANALYSIS**

**A. Receivership Financial Information.** The following financial information is provided for the Reporting Period:

1. **Bank Accounts.** The Receiver maintains two bank accounts for the operation of the Receivership Estate: a general operating account (the “Operating Account”) and an account holding the net proceeds of real estate sales to which disputed interests have attached (the “Real Estate Account”).<sup>36</sup> The balances in these accounts as of the close of the Reporting Period are as follows:

---

<sup>33</sup> Docket No. 1211.

<sup>34</sup> See *id.* (Status Report).

<sup>35</sup> See Docket No. 1214 (Notice of Hearing).

<sup>36</sup> Pursuant to the Court’s *Order Approving the Receiver’s Third Interim Fee Application for Receiver and Receiver’s Professionals for Services Rendered from July 1, 2013 through December*

| Account             | Account Balance       |
|---------------------|-----------------------|

| <b>TOTAL</b>                  | <b>\$484,123.96</b> |

3. Operating Account Expenditures. The following table shows the categories of operating expenses that have been paid from the Operating Account during the Reporting Period:

| <b>TOTAL</b>                        | <b>\$2,309.16</b> |

4. Real Estate Account Deposits and Withdrawals. The only transactions in the Real Estate Account were temporary deposits of earnest money on property sales of the Fairfield land and the Almond Heights lots, and accrued interest in the amount of \$44.45. The earnest money on the Fairfield land sale was transferred to the Operating Account when that sale closed.

---

31, 2013, Docket No. 828, the Receiver has established a separate Savings Account tied to the Operating Account in which he is holding 20% of the professional fees incurred by him and his counsel related to that fee application. Money to open this Savings Account was transferred from the Operating Account. This Savings Account has a current balance of \$122,894.73, and is in addition to the amounts reported below.

5. SFAR. Attached as **Exhibit B** is a copy of the Standardized Fund Accounting Report for the Reporting Period

6. Administrative Expenses. On August 24, 2016, the Receiver filed the *Eighth Interim Fee Application for Receiver and Receiver's Professionals for Services Rendered from April 1, 2016 Through June 30, 2016*.<sup>37</sup> A hearing on this Application is scheduled for November 2, 2016. No payments have been made to the Receiver or his counsel during the Reporting Period.

For the current Reporting Period, the Receiver and his staff have spent a total of 145.8 hours on behalf of the Receivership Estate. Billable services provided by the Receiver during the Reporting Period total \$24,565.00. ## VIII.

### **NEXT STEPS**

At this time, the Receiver anticipates addressing the following priorities in the coming months:

---

<sup>37</sup> Docket No. 1194.

<sup>38</sup> A summary of fees and expenses that have been incurred on behalf of the Receivership Estate by the Receiver and the Receiver's legal counsel in prior Reporting Periods is set forth in each of the earlier Status Reports and the interim Fee Applications.

1. Initial Distribution. In the event that the Court grants the Distribution Motion, the Receiver anticipates making an initial distribution in the total amount of \$4,526,507.28 to holders of Allowed Claims prior to the end of 2016.

2. Litigation and Appeal. The Receiver anticipates concluding all pending litigation matters discussed in Part V above. As discussed in Part IV.A above, he may be required to commence litigation to resolve issues related to the Receivership Estate's interest in the Star Pointe Development, but he will attempt to resolve this issue informally before bringing any suit.

3. Collection of Judgments. The Receiver anticipates continuing his efforts to collect on judgments that have been entered in favor of the Receivership Estate.

4. Property Sales. The Receiver will continue his efforts to sell the remaining real estate held by the Receivership Estate.

## IX.

### CONCLUSION

Solid progress was made during the Reporting Period, particularly with the claims process and completion of avoidance litigation. The Receiver looks forward to approval of a distribution plan so the initial distribution can be made to holders of Allowed Proofs of Claim.

DATED this 21<sup>st</sup> day of October, 2016.
